Just a Couple of Important Reminders:

- Please make us aware of any new addresses, phone numbers, names and employment changes. It is most important that we have this pertinent information. It is necessary for keeping files current.
- Please call 203-598-7625 if your child is going to be absent. The school will not inform us if your child is out sick. You can call us and leave a message at any time.
- Weather permitting; we will be spending as much time outdoors as possible. Please make sure your child is dressed appropriately for lots of fun and play.
- ***Safety is our utmost concern for the children and staff. Please refrain from parking in the back of the school building for dropping off and picking up. Also, the school has many deliveries/services conducted during the morning hours and need clearance of this area. If the trucks cannot deliver/or service, this is problematic for the school and BAS.***
- You can review any BAS policies, forms, and the link at <http://www.region15bas.org> as well as our newsletters. Please make sure we have your current e-mail address on file. Most communications are sent via e-mail and are located on our site.
